

# Fundraising Collection Form

Use This Form To Track Donations That You Collect  
 Include This Form When Turning In Collected Funds

- Print clearly
- Thank your donors
- Turn in checks or money orders  
(Do not send cash)
- Collect complete donor contact information so we can provide tax receipts
- Always ask for an email address. Why? Issuing an e-receipt instead of a paper receipt saves time, printing & postage - help us be good stewards of donated funds!
